FOR IMMEDIATE RELEASE

Eagle Communications Offering Broadband Services to Munjor

May 4, 2011 (Hays, Kansas)- Eagle Communications, using fiber-to-the-home technology, is now offering the residents of Munjor all of the broadband services available in Hays.

Eagle residential services included Eagle Local TV with free HD, reliable high speed Internet up to 100MB, and telephone starting for only \$16 a month.

Business Customers will enjoy a wide range of Local TV, Commercial Internet and Commercial telephone service options.

“Our mission is to work with cities, reinvest dollars, build infrastructure and strive to be the premier partner for the economic revitalization of the communities we serve.” said Travis Kohlrus Eagle Communications Broadband Director of Community Relations and Product Development. “Eagle’s investment in plant infrastructure and residential hubs has connected valuable broadband services to many communities, now including the residents of Munjor.”

Eagle Communications, Inc. is a Kansas based Broadband Services and Media Company with over 250 employee-owners. The company operates 25 radio stations in Kansas , Nebraska , and Missouri as well as cable TV systems in Kansas and Colorado. The company also offers e-business solutions, web hosting, high-speed Internet, telephone services, and wireless Internet. For more information log on to <http://www.myeaglecom.net>
